

2019 ENBRIDGE RIDE TO CONQUER CANCER CREW TEAMS

ADVANCE TEAMS

Route Marking: Works on Friday through Sunday to mark the route with directional and traffic signage. All signs are placed Friday and Saturday and removed on Sunday. This team will collect signage each day as the route has closed and repair/alter signage as necessary. Great opportunity to see the whole route. **Must be available Friday and able to drive a vehicle. Toronto and Niagara Teams needed!**

Tent and Camp Set Up: Work with our Camp Manager to ensure our camp is set up for Saturday mid-day. Also work with Camp Manager to maintain cleanliness of camp and camp schedule is kept on time. Work with Camp Manager on Sunday to tear down camp. *Availability on Friday an asset.*

ROAD BASED TEAMS

Bus Liaisons: Works closely with staff, participants and the bus driver. Acts as a navigator and communications assistant to transport crew and tired/injured riders to specified locations. Communicates often with the dispatch team. Sitting for long periods of time while riding on the bus.

Pit Stop Team: Essential functions include the daily set-up of snacks and hydration areas. Also required to help with traffic control at each rest stop location and help the medical team get set up on site. Inventory supplies at the end of each day. These teams are the first to leave in the morning and often the last to return to camp at night. Pit Stops offer food, beverage, mechanical support and medical services. *Some lifting required.* This is a great job for crew who want a lot of contact with the riders. *Drivers for trucks are needed (15' truck).*

Sweep: This team drives along the route outfitted with a bike rack to provide transportation to Riders who need Medical or Mechanical support between stops. You will also encourage the riders the whole way with music and decorations. This team patrols the route from open to close. *Some lifting required. Must have driver's license and proof of insurance.*

Green Team: This team is responsible to ensure the route and all route stops/event sites are restored to their original condition prior to our arrival. The team will drive and collect all garbage at the Pit Stops. Crew teams at both route stops and main event sites will assist with organizing the waste/ recycling. This is a very physical job and absolutely necessary for the event. *Some lifting required. Drivers for trucks are needed (24' truck).*

Caboose: will drive along the route behind the last rider to help the Dispatch team stay aware of what is happening on the course. The Caboose Team acts as the eyes and ears of Dispatch on the route therefore they need to stay in constant communication with Dispatch.

Taxi: Position is in contact with dispatch and assists our event staff with delivering extra supplies to pit stops or transports Riders or Crew with non-emergency injuries to and from the hospital. Please remain flexible as you will be used on an as-needed basis.

START, CAMP & FINISH

Bike Parking Team: This team will manage bike parking set up and take down at Opening Ceremonies sites and camp. Help riders park their bikes and attach bike id plates. Verify rider credentials and bike plates match as bikes are picked up.

Traffic and safety: Responsible for managing vehicular and pedestrian traffic into and out of Opening Ceremonies, Camp and Finish. Directs guests, participants and event vehicles into designated parking areas. Enforces parking plans established by the Logistics Team.

Food Service: This team will assist with breakfast and dinner service on both Saturday and Sunday at Opening Ceremonies, Camp and the Finish Line. Duties include restocking napkins and dinnerware, clearing plates and marking credentials. May include guest check in for VIP dining areas.

Gear Team: This team manages the collection and distribution of all participant gear throughout the event. The team will load all gear luggage into trucks in the morning, then off-load gear in the assigned area at camp. Assists participants in locating their personal gear. Team may be asked to assist with the sleeping tents at camp as well if needed. *Lifting Required. Drivers for the trucks are needed (24' truck.)*

CAMP BASED TEAMS

Camp Team: Work with Event Staff to run the main camp site in Hamilton. The camp team will split into groups to manage all aspects of this busy site including stocking and changing water stations and garbage's, setting up tents, tidy hand washing stations, clearing plates and tables in the dining area, tent assignment, bike parking and more. Work with Camp Manager on Sunday to tear down camp. **Availability on Friday an asset to assist with Tent Set Up!**

Massage Liaison: You will be responsible for booking massages for riders at our camp site. You will work closely with the massage therapists and team leads to endure a smooth running of our massage tent. **Limited Space.**

SPECIALTY TEAMS

Medical: Comprised of a variety of medical professionals, this team provides all first-aid medical services to participants either along the route, at pit stops or at main event sites. They will provide emergency service where necessary until local EMS/Paramedics arrive on scene. The Medical Tent is staffed 24 hours each day. Medical Team will be screened as necessary for appropriate experience and training. *All Medical Team members must provide proof of their Medical License and Insurance.*

Massage: This team provides essential massage services to participants during the event. Ideally, massage therapists will be experienced in sports massage, with at least 200 hours of experience. Services will be offered at Camp. *Proof of certification or student status must be provided in advance.*

Motorcycle Safety: Moto Safety works with dispatch staff and local law enforcement to guarantee safe passage for riders during each day's route. Assist at difficult intersections and other locations as requested. *Required to provide own motorcycle and helmet, a copy of your license, and proof of insurance.*

YOUR NEXT STEPS
