

Benefits of Corporate Team Support

The BC Cancer Foundation is the largest funder of cancer research in the province and is on a mission to break new ground in cancer research, treatment, technology and care, ultimately hoping to conquer the disease.

Forming a corporate team will help the BC Cancer Foundation reach their goal while benefiting your company by:

- **Raising Corporate Visibility in the Communities You Serve.** Your employees' hard work and generosity will be seen as a goodwill gesture within the local community, increasing your brand awareness.
- **Encouraging Team Building.** Training and fundraising for a common cause leads to stronger, more dynamic relationships in the office where they support each other to reach more challenging goals.
- **Promoting Health and Wellbeing.** Studies show that individuals who regularly practice proper nutrition and exercise tend to stave off illness and are more productive in the workplace.

"It's one of the greatest things we can do as a group."

Nearly 1 in 2 Canadians will be diagnosed with cancer, which means that fundraising for new cancer research, technology and treatments for cancer patients will be something everyone within your organization can support. Start your corporate team today!

What is The Ride?

The Ride to Conquer Cancer® Presented by Wheaton Precious Metals™ benefiting the BC Cancer Foundation is a two-day cycling ride over 200 kilometres, raising vital funds for cancer research and care.

When is The Ride?

August 29–30, 2020
